

A FULL SERVICE ENVIRONMENTAL COMPANY

## CAPABILITY STATEMENT

Bear Environmental LLC is a minority owned environmental company based in Columbus, OH. We specialize in the management of hazardous and non-hazardous industrial. Our capabilities include, but are not limited to, sampling and analysis, transportation, treatment, recycling, and disposal of wastes. Bear Environmental also offers industrial services such as tank cleaning, pressure washing, and water blasting. With constant evolving regulations deemed by federal, state, and local entities, it is of utmost importance that your waste is managed in a safe and compliant manner. From generation point to final disposal or recycling site, Bear Environmental can help ensure that this is done with discretion and environmental stewardship.
